Alfa India

About us

Year of Establishment 2017, Alfa India Trading Company has made a well-recognized name as a Manufacturer and Trader of Commercial, industrial, Residential & Outdoor LED Lighting. We have achieved expertise in catering to the requirements of our clients exactly as per their specifications. We emphasize on stringent quality standards in order to ensure that the products provided to our clients is always optimum to its level. These products render a really distinctive & sophisticated look in Offices, Schools & Colleges, Residential Complexes, Resorts, Hotels, Industries, Highways, Petrol Pumps, Yard Lighting and Stadiums. With over 5 decades of lighting experience, we are the one of the leading manufacturers and suppliers of a wide range of Lighting fixtures, LED Luminaries, Octagonal & High Mast Poles and other accessories. Our Marketing team is our greatest & strongest resource that possess a profound and intense depth of knowledge in the respective field of Lighting.

Mission

At Alfa India Trading Company, our mission is to illuminate the world with clean and sustainable energy. We strive to revolutionize outdoor lighting by harnessing the power of the sun, contributing to a greener and more energy-efficient future. We are dedicated to providing high-quality solar street lights and garden lights that not only meet but exceed the expectations of our customers.

Vision

Our vision is to be a global leader in solar-powered lighting solutions, empowering communities with efficient and eco-friendly outdoor lighting. We envision a world where every street and garden are lit by the clean energy of the sun, reducing carbon footprints and enhancing the quality of life for people around the globe.

Alfa India

LIGHTING ANYWHERE, ANYTIME

For roadways, ports and other industrial areas that require high-mounted light structures, Valmont's tapered steel high masts are the superior solution.

HIGH MASTS INSTALLED AT INDAPUR, MAHARASHTRA AND HYDERABAD OUTER RING ROAD

YOUR HIGH MAST LIGHTING SOLUTION

High Masts are often located where today's most busy expressways merge or intersect. Valmont's tapered steel high masts also support other large area lighting applications, such as those found at airports, shipping terminals and other heavy-industry zones. In all these applications, safety is paramount and technical design expertise is essential.

IN-HOUSE ENGINEERING EXPERTISE

Engineers, architects, contractors and city planners rely on Valmont for unparalleled safety and quality manufacturing for high masts. Our engineers consider lighting load, tower weight, variable wind speeds, local soil conditions and a host of other relevant variables, which less experienced suppliers may overlook. Meeting the needs of you, our customer, is our top priority. No matter how large or small your order, our focus is to provide a quality product, to deliver that product on time and as per your project requirement.

Alfa India

WHEN LIGHTING PERFORMANCE MATTERS

For more than 40 years, Valmont has offered steel and aluminum structures to meet the most demanding sports lighting requirements. Our engineering capabilities are what set us apart from the competition.

SOLUTIONS FOR AMATEUR & PROFESSIONAL ATHLETIC VENUES

As outdoor sports and sports television broadcasts become more widespread, the need for high quality sports venue lighting is vital. Players need to see more clearly as pace of play speeds up. Fan expectations are rising along with ticket prices and clarity must always exceed the demands of high-definition broadcast and viewing technologies around the world. And that's why we helped create the norms by which outdoor sporting events are lit.

Meeting the needs of you, our customer, is our top priority. No matter how large or small your order, whether it's a standard product or specially designed to meet your requirement, our focus is to provide a quality product, to deliver that product on time and as per your standards, and ultimately, to be your reliable sports and stadium lighting partner.
